

Everything teachers
need for learning.
All in one place.

The world's leading education platform, Edmodo connects all learners with the people and resources they need to reach their full potential.

Edmodo is trusted by over:

50 million users

350,000 schools

190 countries

Dedicated to helping you engage and collaborate, using Edmodo is:

Easy

Sign up and Group creation only takes minutes, so you can keep your focus on teaching lessons that last a lifetime.

Secure

With tools that let you determine who can join Groups, ensure they remain private, and monitor member activity, safety is built right in.

Versatile

Whether you want to flip a classroom, find resources, or fuel your professional growth, there's something for everyone on Edmodo.

Available for web and mobile, Edmodo lets you harness the power of technology for education—anytime, anywhere.

Sign up for a free teacher account at edmodo.com

Tools teachers love. Designed for what they need.

Set your classroom up for 21st century learning with:

Digital Classrooms

Foster communication with Groups for students and parents; differentiate learning with project-based Small Groups.

Online Homework

Set up a paperless classroom with features that let you post assignments, quizzes, and polls, in just a few clicks.

Progress Manager

Automatically enter grades from homework assigned within Edmodo and recognize student achievements with Badges.

Content Discovery

With lesson plans, activities, and more, Edmodo Spotlight helps you find and share valuable resources across grade levels and subject areas.

Integrated Planner

Set key reminders or notices with a calendar that lets you add, display, and share important upcoming events and projects.

Collaborative Communities

Connect with fellow educators and get (or give) advice in online professional learning communities that foster teamwork, mentoring, and best practices.
