

ACCOUNT TYPES ON EDMODO

TEACHER

Teacher accounts can:

- ◆ Create and join Classes, Groups, and Small Groups
- ◆ Add student accounts or invite members with a code/link
- ◆ Post to a Class or Group and like/comment on posts
- ◆ Manage Class and Group members and moderate posts
- ◆ Create and administer digital assignments and quizzes
- ◆ Share folders for all Class or Group members
- ◆ Discuss ideas and share resources with other teachers on the Edmodo platform
- ◆ Follow educational hashtags and participate in PD opportunities
- ◆ Explore free teaching resources and educational apps in Discover
- ◆ Get unlimited file storage in their Library
- ◆ Set up a gradebook in Progress and award badges
- ◆ Send a direct message to their students, their connected parents, or other teacher connections
- ◆ Create a group conversation with multiple students or a student and their parent

Teacher accounts CANNOT:

- ◆ Send messages to students they are not connected to through their Classes

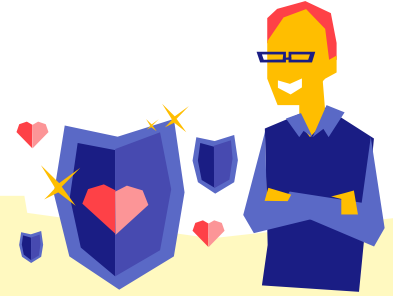

STUDENT

Student accounts can:

- ◆ Join a Class, Group, or Small Group with a private code or invitation
- ◆ Post to a Class or Group and like/comment on posts
- ◆ Take and submit digital assignments and quizzes
- ◆ Access folders shared by their teacher
- ◆ Explore free learning resources and educational apps in Discover
- ◆ Get unlimited file storage in their Backpack
- ◆ Organize tasks and set custom notifications with the Planner
- ◆ Send a direct message to their teacher or parent

Student accounts CANNOT:

- ◆ Create their own Classes or Groups
- ◆ Post to a Class or Group if they are set to "read only"
- ◆ Send direct messages to other students unless in a group conversation created by the teacher

PARENT

Parent accounts can:

- ◆ Connect to their student with a private code or invitation
- ◆ View posts created by the teacher or their connected student
- ◆ View upcoming and completed tasks in their student's Planner
- ◆ Connect to more than one student account if they have multiple children using Edmodo
- ◆ Send a direct message to their student's teacher
- ◆ View conversations between their student and teacher

Parent accounts CANNOT:

- ◆ Create their own Classes or Groups
- ◆ Post to a Class or Group
- ◆ Like/comment on posts not directed to parents
- ◆ View posts that are hidden by the teacher
- ◆ Send messages to other students or parents
